## **2025 PRIVATE TREATY REGISTERED ANGUS BULLS**

OWENTON, KY

# Welcome

## TO OUR PRIVATE TREATY REGISTERED ANGUS BULL OFFERING!

On our beautiful 1400-acre farm nestled in Owenton, Kentucky we started a cow/calf operation in January 2021. We are developing a herd through the use of prestigious Angus bloodlines of Octoraro, Wye, and Pathfinder. As a result, we have 21 wonderful bulls from 1 to 6 years available for sale.

Our belief is to produce cattle with superior genetics using sustainable and regenerative farming practices. We raise our cattle on biodiverse pastures with warm and cool season grasses and legumes. Free-choice access to mineral, kelp meal, and protein tubs help to promote optimal animal health and reduce the need for antibiotics. Our low-stress handling practices promote a calm herd that is easier to manage.

Lot A is Fireball – We purchased him in April 2022, and his bloodline includes Sure Fire and Pathfinder. He has finished his job growing our herd and improving our genetic line to include high-valued marbling in pasture-raised cattle. He has 11 offspring in this sale.

Lot B is Banjo – We purchased him in January 2021, and his bloodline includes Octoraro, Wye, and Pathfinder. He has also finished his job growing our herd and improving our genetics for sustainability in a total forage environment. He has 5 offspring in this sale.

In the last 3 lots, lots C and D are bulls produced from bred heifers we purchased to further include the bloodlines of Octoraro, Wye, and Pathfinder. Lot E was born on our farm and is a progeny of Mr. Spen whose bloodline includes Wye and Pathfinder. Our bulls will be sold with a passing breeding soundness evaluation and a breeding guarantee.

We look forward to showing off our herd and hope to make future relationships with many friends who appreciate the Angus breed as we do. We believe any of these bulls will make a great addition and improve your herd.

To see our bulls, please call or email me. I look forward to hearing from you.

Sincerely,

Carter F. Randolph
